1. Campo d'applicazione

1.1 Le seguenti Condizioni Generali di Vendita ("Condizioni") disciplinano tutti i contratti stipulati fra Schaeffler Italia S.r.l. ed i propri Clienti (di seguito "Clienti" e/o "Cliente, a seconda del contesto). Esse si applicano altresì a tutti i rapporti futuri risultanti o derivati da rapporti commerciali in corso alla data sopra indicata.

1.2 Le presenti Condizioni si applicano in via esclusiva; eventuali condizioni generali del Cliente contrastanti o divergenti rispetto alle presenti Condizioni hanno validità solo se, e nella misura in cui, sono state espressamente approvate per iscritto da Schaeffler Italia S.r.l.

2. Condizioni di fornitura

2.1 Ogni ordine conseguente ad una offerta dovrà pervenire alla Schaeffler Italia S.r.l. entro il termine indicato sull'offerta stessa ed, in mancanza di espressa indicazione, entro 30 giorni dalla data dell'offerta. Decorso i termini di cui sopra, l'offerta si intenderà decaduta, salva la facoltà di Schaeffler Italia S.r.l. di ritenere tale offerta valida ed efficace ancorché intempestiva.

2.2 Tutti gli ordini devono specificare, per ogni tipologia di merce ordinata, l'esatta quantità e denominazione dei prodotti. Schaeffler Italia S.r.l. si riserva di fornire prodotti aventi caratteristiche tecniche e/o costruttive differenti da quelle indicate nei propri cataloghi, listini, ecc. (ad esempio: cuscinetti con gabbia massiccia anziché stampata, ecc.) nei limiti in cui le modifiche in parola siano dettate da motivi di evoluzione tecnologica ovvero da esigenze costruttive e siano, comunque, tali da non alterare significativamente le caratteristiche e/o prestazioni fondamentali dei prodotti. Ove il Cliente intendesse acquistare un prodotto riportato in catalogo avente le caratteristiche ivi descritte, a prescindere da eventuali aggiornamenti tecnologici apportati al modello di prodotto in parola, dovrà farne esplicita richiesta scritta alla quale dovrà seguire una esplicita accettazione scritta da parte di Schaeffler Italia S.r.l.

2.3 Gli ordini si intendono sempre fermi e vincolanti per il Cliente ai sensi e per gli effetti di cui all'articolo 1329 Codice Civile. Gli ordini si considereranno accettati e quindi vincolanti per Schaeffler Italia S.r.l. con l'invio della conferma d'ordine, fatte salve le eccezioni di cui al seguente articolo 4.

3. Prezzi

3.1 I prezzi dei prodotti a listino sono quelli indicati nei listini e/o cataloghi in vigore alla data dell'ordine. Per i prodotti in esecuzione speciale, o non prodotti in serie, i prezzi saranno concordati di volta in volta tra le parti per ogni singolo ordine, a prescindere dai prezzi dei prodotti di serie, quand'anche le dimensioni e le caratteristiche costruttive fossero simili.
